

PROVINCIA  
DI TERAMO

# THE PROVINCE OF TERAMO

Area: 1.947,64 km<sup>2</sup>

Inhabitants: 312.239

*Public  
administrations: 47  
municipalities*

A local public body at an intermediate level between the Region of Abruzzo and the local Municipalities.

# Why did the Province of Teramo join the ERCIP project?

Knowledge sharing and experiences transferring with EU partners to improve regional policy

*Partnership Exchange visit in Teramo, Oct. 2012, at the Tordino river's mouth.*

*The Tordino River Memorandum of Understanding signing, Oct. 2012.*

Tordino River Contract and its Management Plan definition through a participatory process

# What the Province of Teramo has achieved through the ERCIP project

Tordino River Contract signing by stakeholders on April 2014

Tordino' Framework Agreement – River Corridor Improvement Plan – Local Action Plan n. I definition after a 5 months participatory process (April 2014)

Approval of the Provincial Territorial Plan variation: the Tordino river contract becomes an official planning tool (May, 2014)

# Why the *Province of Teramo* would recommend the ERCIP model to others

ERCIP  
support to  
local actions  
activities  
and planning

Best practices,  
Ideas and  
solutions  
exchange

ERCIP Partners in Teramo, Oct. 2012.

# Why the *Province of Teramo* would recommend the ERCIP model to others

Experiences, suggestions and passion sharing made partners go beyond the ERCIP objectives and re-think their institutional and personal link with rivers...
